WE'RE OFF

TO SAVE BABIES' LIVES

WILL YOUR LITTLE ONE JOIN US?

We're calling on all our Water Babies swimmers to help save babies' lives by taking part and fundraising for Tommy's in our sponsored Splashathon event. Water Babies will each complete a swimming challenge suitable for their age and ability, dressed as their favourite superhero in a specially themed lesson. And we'll be asking all our little swimmers to be sponsored to help us on our way to raising £500,000 for Tommy's!

**Sadly 1 in 4 pregnancies end in loss,
devastating families.**

If every Water Babies swimmer raises just £15 that would mean £500,000 to support Tommy's heroes, the doctors, midwives and researchers working to save babies' lives. Together we can fund a Tommy's research centre for 1 year, giving thousands of parents with high risk pregnancies access to expert treatment and care. Together we can help make the UK the safest place in the world to give birth.

**START
FUNDRAISING
NOW!**

Go to tommys.org/splashathon to set up your little one's fundraising page - and get 4 free downloadable Bubba activity sheets!

Win a Center Parcs family break!

Everyone who fundraises will be entered into a prize draw to win a midweek or weekend break for a family of up to six people, in a three-bedroom Woodland Lodge at any Center Parcs UK village!

Why fundraise for Tommy's?

The money your little one raises will help save babies' lives and improve care and support for families at every stage of the pregnancy journey.

Tommy's mission is to make the UK the safest place to give birth, halving the number of babies who die in pregnancy and birth by 2030. In the UK, it is estimated that 1 in 4 pregnancies end in loss during pregnancy or birth and 60,000 babies are born prematurely each year.

Your support can help Tommy's research causes and treatments. Together we can make pregnancy and birth safer for all.

Need any help or want to find out more about the difference your money will make? Get in touch!
