

We're the leading charity stopping the heartbreak and devastation of baby loss and making pregnancy and birth safe – for everyone

Bringing together a network of expert researchers, healthcare professionals and passionate supporters, Tommy's is a community dedicated to making pregnancy safer and reducing health disparities to help more families bring a healthy baby home.

Where your money goes

We work across the whole pregnancy journey, turning our research breakthroughs into new tests and treatments, campaigning for changes to national maternity care and providing expert information and support both through our website and in our specialist NHS clinics.

Through this work, and with the help of our amazing partners and supporters – like you – we're driving change at every level and finding ways to stop miscarriage, stillbirth and premature birth.

Together, we can save babies' lives

How to pay in your fundraising:

Set up a JustGiving page for online donations at justgiving.com/campaign/teafortommys

Pay in the donations from your collection box online at tommys.org/pay-in-online

Or send us a cheque payable to Tommy's.

Your fundraising will make a huge difference

£2
could fund a call with a Tommy's Midwife for a bereaved parent

£30
could fund pregnancy information leaflets and posters, such as raising awareness of the importance of monitoring reduced fetal movements in pregnancy

£150
could fund one midwife on the helpline for a day, allowing us to be there for women, birthing people and their families most at need during and after pregnancy

Tommy's is a registered charity in England and Wales (1060508) and Scotland (SC039280)
